Need

- Sourcing locally is hard
- Brands resort to FGA:s
- Communication is key
- Education on topics

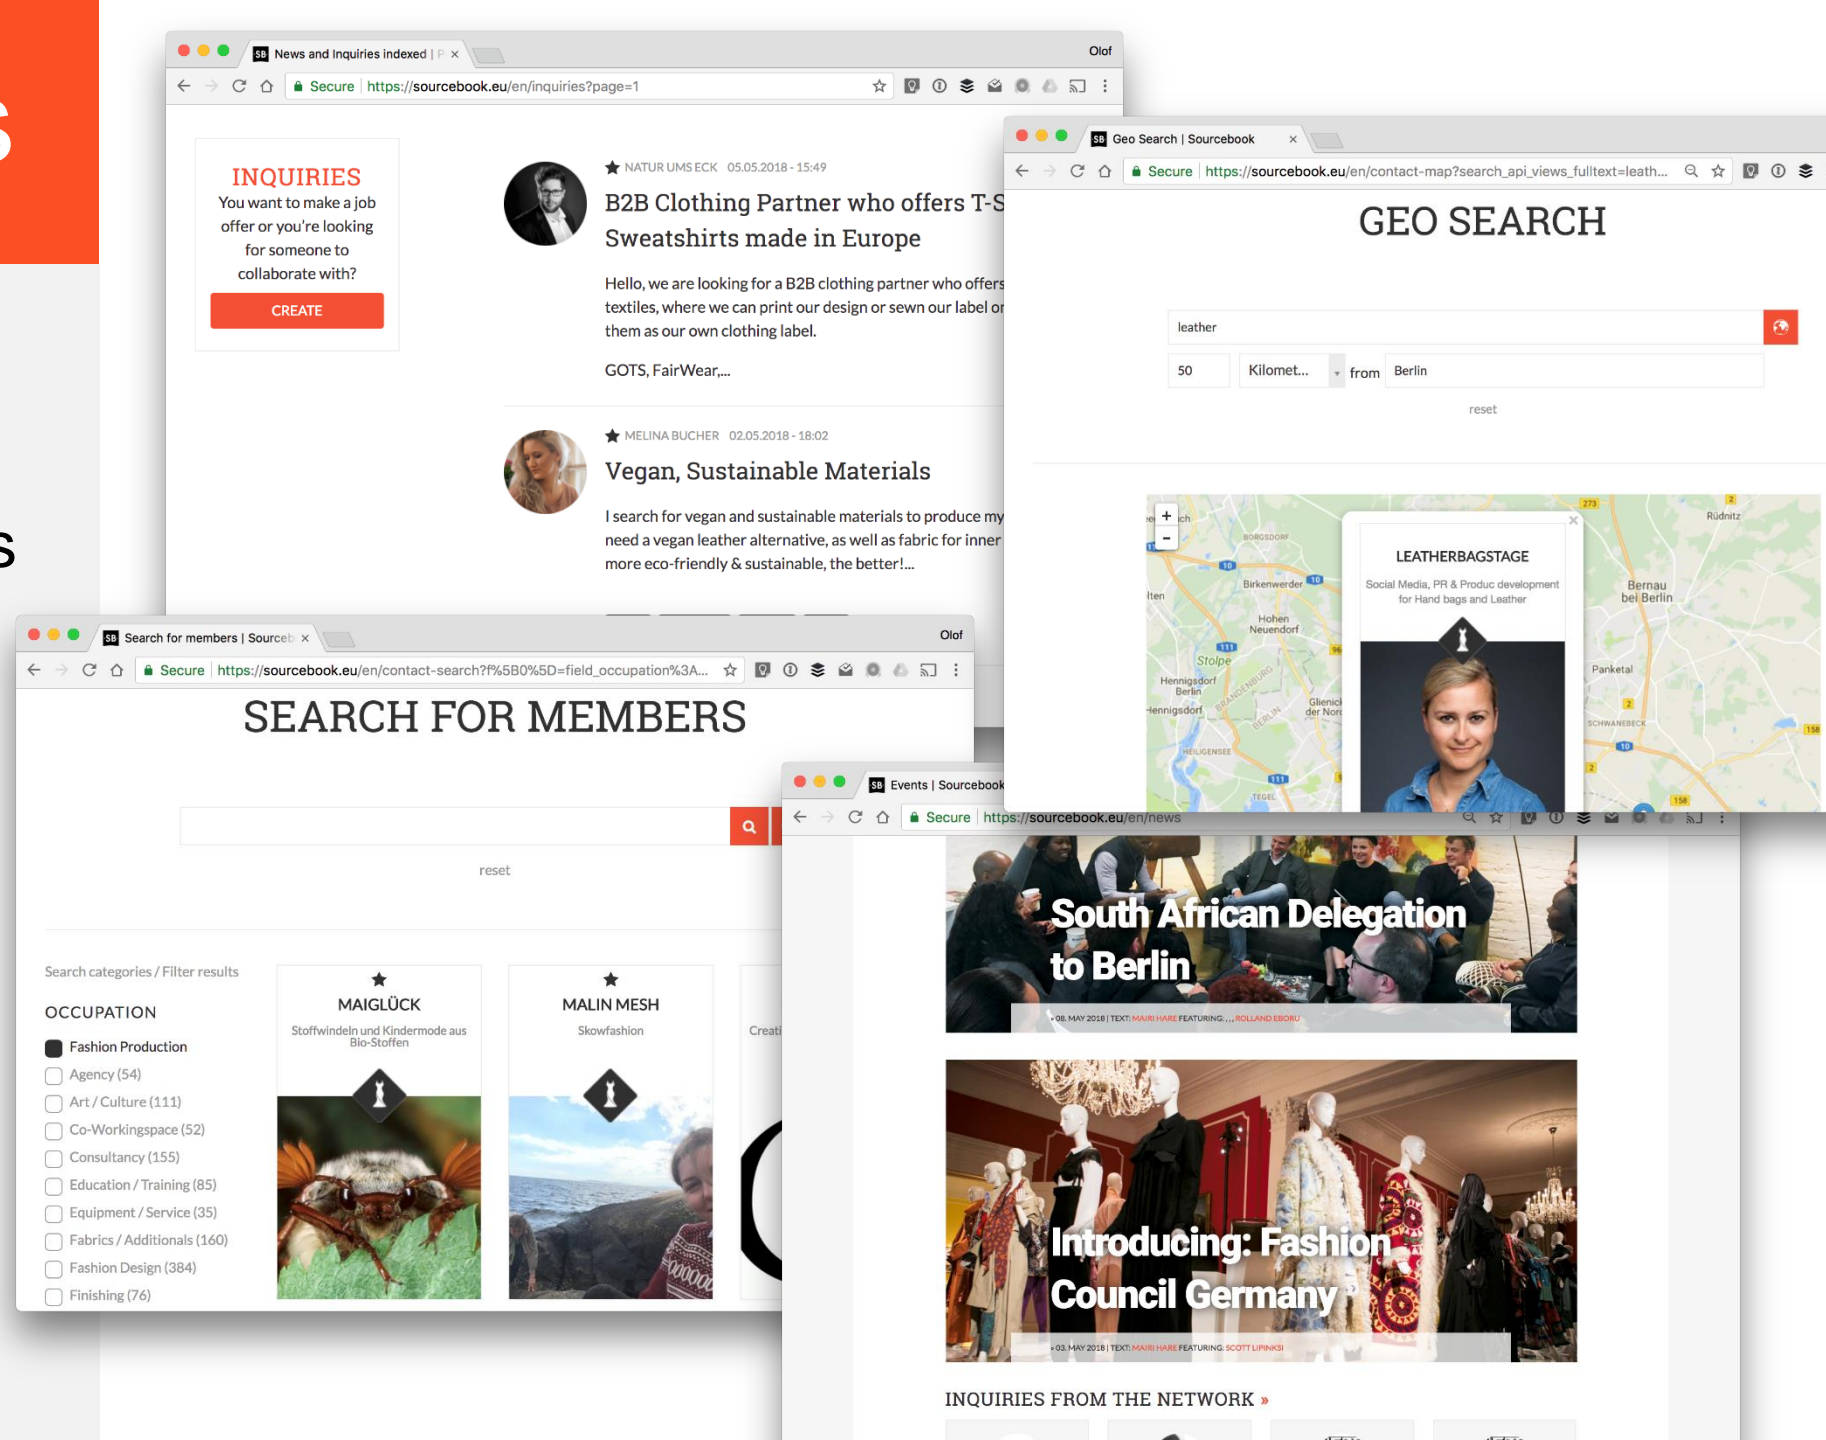

Approach

- Connecting
- 2 000+ businesses
- Editorial
- Offline services
- Initiating collaboration

How it works

- Register for access
- Profile quality and tags
- Geographical location

What happens

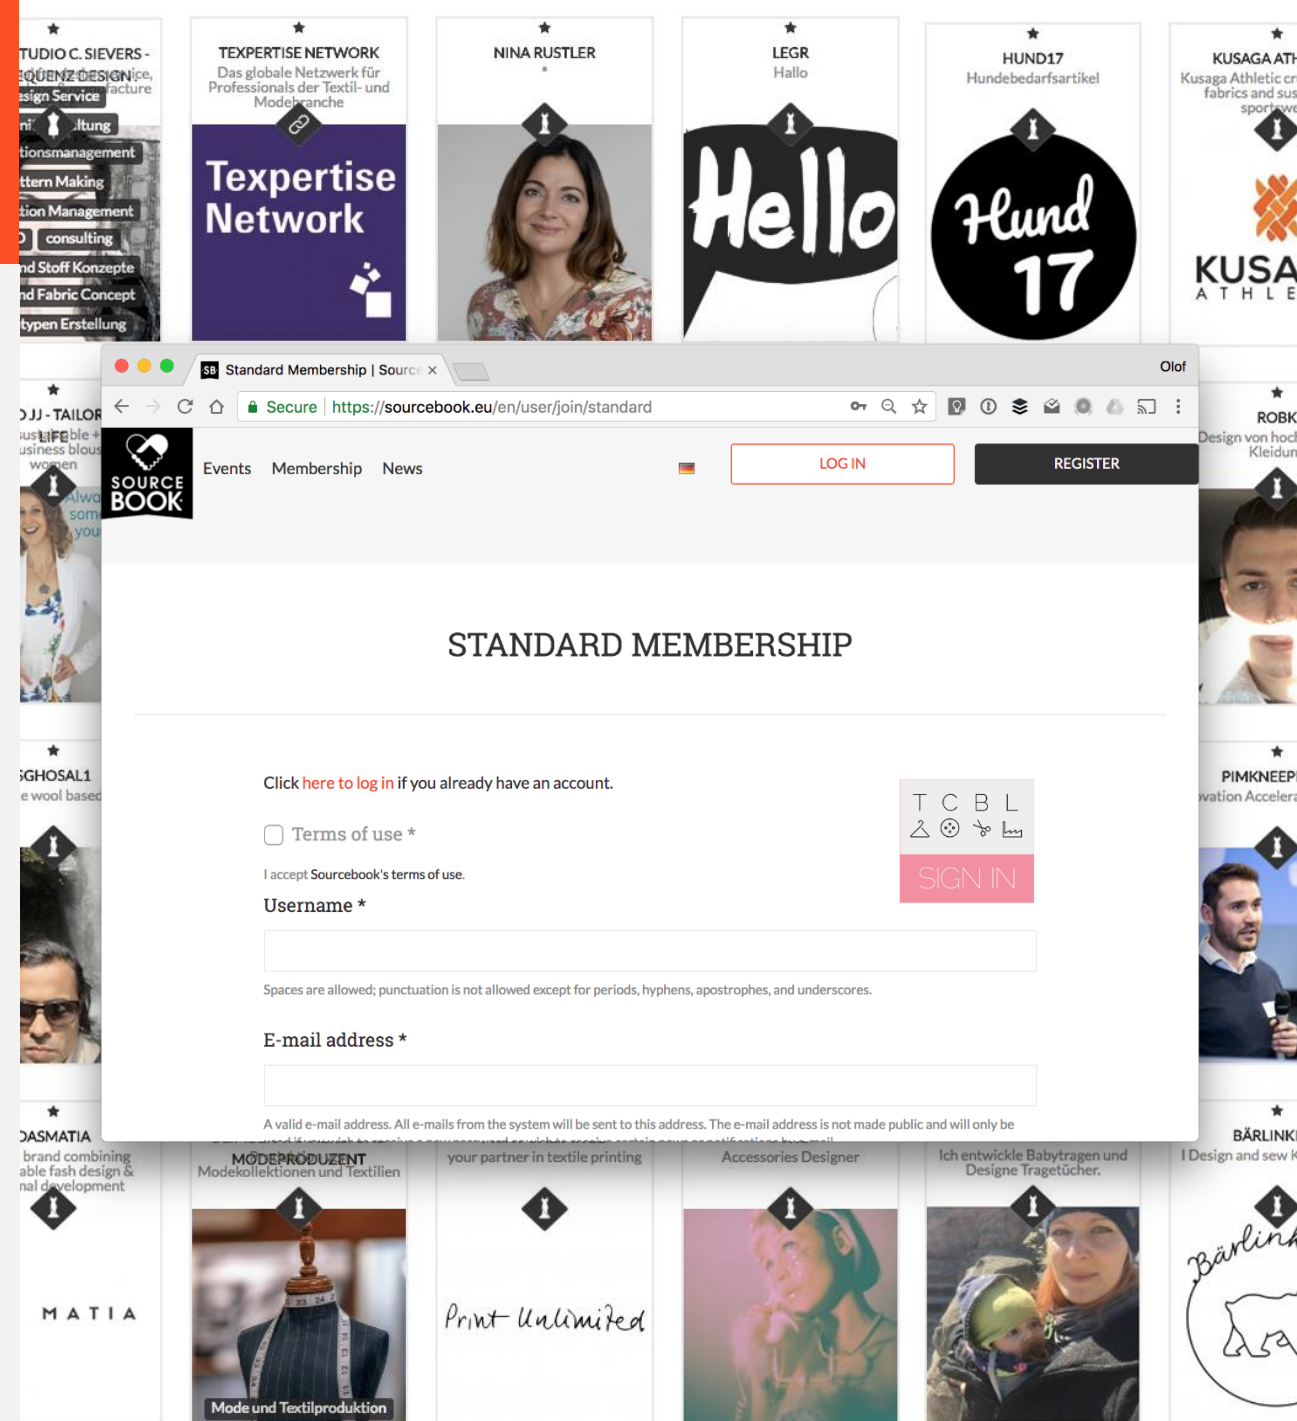

- New members and jobs daily
- Display your collaborations
- Join Forums and Teams

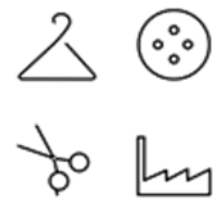

Integration with TCBL

- Our role in the TCBL Open Platform service offer and SSO
- Our hub in Berlin and our partners
- Support the lab projects, business cases, etc. by including them in events
- Future service developments
