AMI

# Market issues

- Knowledge gap
- High sourcing MOQs
- Affordable, local, quality low-volume manufacturing
- Understanding sustainability
- Funding

# HIDDENSTITCH

- Holistic fashion business coaching and mentoring
- Product development
- Material and production sourcing
- Network of service providers

*one-to-one*

# SANS CONCEPT

- Physical and online sales platform for emerging locally manufactured brands
- Promoting ethical buying
- Open access design and development studio with technical support
- Promoting collective business model by establishing Sourcing Syndicate and group mentorship program
- Fashion business networking

# Interaction with TCBL

- Building partnerships within the TCBL community to promote formation of Sourcing Syndicates throughout EU
- Working together with TCBL Business Labs.
- Collaborating and sharing best practice scenarios with other Associate Enterprises
- Brainstorming out-of-box fashion business models for the future
