# Why: Collapse of textile industry

Social integration  
Environment protection  
Public works  
New sales channels

By spreading knowledge and sustainable ideas to youth we can reach sustainability.

- We can offer a production of a small amount of our products with your logo, message, ...  
*#collaboration*
- TCBL - find new opportunities, ideas, knowledge, channels

# The future of textile is 5R

## 5Rs Techniques

- Looking forward of any further cooperation
- I'm glad we've been a part of the TCBL as a Place Lab
- As former Green politician I still follow ideas of 5R. Hope U2 ☺

- Reduce
- Reuse
- Recycle
- Recover
- Repair

# THANK YOU!
